

The Experimental Social Science Laboratory (Xlab) invites you to participate in social science studies! Experiments conducted at Xlab (located in Hearst Gym, Suite 2) are computerized, decision-making studies such as tasks, surveys, and games. We also occasionally offer remote online and mobile studies that can be completed anywhere. Participants earn **\$15/hour** on *average* every time they participate. For more information, visit xlab.berkeley.edu! To sign up, visit berkeley.sona-systems.com.
